Experience

Sept 2019 - Present

Sr. Graphic Designer - UI/UX Designer, **Interactive Avenues - Omnicom Media**

- Worked on **10+ successful website projects**.
- Designed **responsive wireframes and interactive prototypes** for web/mobile platforms using Figma and Adobe XD.
- Led **360° brand campaigns** across real estate, automobile, enterprise, fashion, beauty, and e-commerce verticals.
- Designed UI and UX flows for websites and apps, collaborating closely with developers for brands like **Adani, Nerolac, Zee5, and Lyfe Hotels**, aligning interface aesthetics with business goals.
- Developed motion graphic assets and campaign-specific **micro-interactions**, improving brand engagement and user retention rates.
- Integrated **AI-powered design tools** to automate competitor analysis, website audit, and UI generation, reducing wireframing time and accelerating project delivery.
- Collaborated in Agile teams with account managers, copywriters, and developers to ensure on-time, high-standard delivery.
- Tools used: Adobe Creative Suite (**Photoshop, Illustrator, After Effects**), **Figma, XD, Canva** (for rapid iterations), and prototyping tools.

Jul 2019 - Sept 2019

Internship, **ProbizAdvisor LLP**

- Collaborated with content strategists and account leads to produce branded content tailored for industries such as finance, legal, and consulting.
- Tools used: **Adobe Photoshop, Illustrator, Google Analytics, Canva, PowerPoint, Excel**.

May 2017 - Jun 2017

Internship, **Laqshya Media Pvt. Ltd.**

- Assisted in scheduling interviews, maintaining candidate records, and organising HR documentation to support the recruitment process.
- Managed internal calendars and arranged meetings for HR and Sales leads, ensuring smooth coordination across departments.

About

Creative and results-oriented UI/UX Designer with 6+ years of experience in crafting responsive digital interfaces, prototyping intuitive experiences, and executing 360° brand campaigns. Demonstrated ability to blend user-centred design principles with brand storytelling to create visually compelling solutions for web, mobile, and social platforms. Expertise in wire framing, motion graphics, and AI-driven design automation, delivering up to 37% faster development cycles.
