Experience

Sept 2019 - Present

Sr. Graphic Designer - UI/UX Designer, **Interactive Avenues - Omnicom Media**

- Designed and delivered 12+ enterprise and consumer web platforms across hospitality, FMCG, automotive, and media sectors, collaborating within a 3-person design team for seamless design-to-development handoff.
- Built end-to-end UX workflows - user research, personas, user flows, wireframes, and interactive prototypes for responsive web and mobile products across 15+ brands including Adani and Nerolac digital platforms.
- Developed and maintained scalable design systems and reusable component libraries in Figma, reducing repetitive design effort and improving cross-team consistency across all active projects.
- Produced motion graphics, animated micro-interactions, and scroll-based storytelling for campaign microsites — contributing to 3 Gold award wins at Adgully Digixx, Indian Marketing Awards, and India Digital Awards 2022–23.
- Integrated AI-powered tools (Claude, ChatGPT, Gemini) into competitive audits, UX research, and wireframe generation, accelerating research-to-concept turnaround across projects.
- Collaborated cross-functionally with developers, strategists, copywriters, and account teams across 15+ brand campaigns to align design execution with business and marketing objectives.

Jul 2019 - Sept 2019

Internship, **ProbizAdvisor LLP**

- Graphic Design Intern (Jul–Sept 2019) Produced branded content for finance and legal clients using Photoshop, Illustrator, and Canva.

May 2017 - Jun 2017

Internship, **Laqshya Media Pvt. Ltd.**

- Assisted in scheduling interviews, maintaining candidate records, and organising HR documentation to support the recruitment process.
